## Our Purpose

The P.A. helps build the warm and welcoming community within the Barnstable family. Here are just some of the initiatives we spearhead.

- Welcome new families
- Whole-school events
- Monitor the School Directory
- Encourage family connections
- Teacher appreciation activities
- Seasonal school decorations
- Host parent socials
- Host pre-prom gathering

## Grade-Level Captains

We're delighted to announce that we have a Middle School Captain and Captains for each High School grade level to ensure smooth communication and support for your specific grade.

For broader questions or feedback, about the PA, not tied to a specific grade, please feel free to contact the President, Kat Dale or Head of School, Mrs. Crowley. We are happy to talk, meet, and help in any way we can to ensure a positive culture and wonderful experience!

## So Many Ways To Support Your P.A.!

### Donate, Participate, Get Involved

In order to achieve our goals, we would love for every family to be invested and supporting our efforts the best they can!

Each family is also asked to help sustain the work of the PA with class dues of \$100 per year.

### How to make a donation

Make check payable to **Parent Ambassadors – B.A.** and mail or send in the check to Barnstable or use PayPal at <https://paypal.me/parentambassadors>
